General Instructions**What is this form?**

Federal law requires U.S. financial institutions to obtain, verify, and record information about the beneficial owners of, and individuals with significant control over, legal entities.

A legal entity includes a corporation, limited liability company, partnership and any other similar business entity formed in the United States or a foreign country.

Who has to complete this form?

This certification form must be completed by the person opening a new account or adding new accounts or services to an established relationship on behalf of a legal entity with any of the following US financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities.

What information do you have to provide?

This form requires you to provide the name, address, date of birth and Social Security Number* for the following individuals: **Individual with Control:**

- **One** individual with significant responsibility for managing the legal entity, such as:
 - An executive officer or senior manager (e.g., Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, Treasurer); or
 - Any other individual who regularly performs similar functions; and

Beneficial Owner:

- **Each** individual, if any, who owns, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, 25 percent or more of the equity interests of the legal entity (e.g., each natural person that owns 25 percent or more of the shares of a corporation). There may be instances where you will be asked to provide this information on 10 percent owners, in accordance with TD policies.

***Note**

- For a US person, provide a Social Security Number,
- For a Non-US person (non-US Citizen or Resident Alien), provide a passport number, country and date of issuance and expiration date. In lieu of a passport, non-US persons may also provide the equivalent information regarding any other government-issued form of identification evidencing nationality or residence and bearing a photograph or similar safeguard.

TD Bank may also ask to see a government-issued form of identification (e.g. driver's license, passport, etc.) for each of the individuals listed on this form and record details about the identification (i.e., issuer, dates of issuance and expiration and document number).

You must notify TD Bank promptly in the event of any change to the information in Section I or II of this form. If there have been no updates or changes to the Individual with Control or Beneficial Ownership information of the legal entity customer since the last time a Certification Form was provided, you may skip Section I and II and move to Section III.
